About Us

The trust Solvo Chem has gained so far of its customers has enabled it to flourish without any barriers. Reason of smooth trade facilitation lies in our ethical business policies and transparent business culture. As trusted Trader, we have grabbed loyalty of numerous clients by offering Mono Ethylene Glycol, Diethylene Glycol, Ortho Xylene, Textile Auxiliaries and much more. There is no one better than us in the industry that could serve customers with aforementioned range of chemicals of high effectiveness. Prepared with care and accuracy by procuring partners, our range of chemicals are known in market for longer shelf life, accurate composition and high chemical properties.

Solvo Chem is a long standing business unit that is working as a reliable Trader from around 26 years. Having regional space in Ahmedabad (Gujarat, India), our company has earned massive customer satisfaction due to its efficient business practices. Our offered range of chemicals and acids are procured from trusted manufacturers who use finest materials. Our range comes in high chemical properties and accurate compositions. These are offered to customers in quality-approved packaging material for damage free transportation. Our company has expert quality checking professionals who adopt stringent quality checking measures. Based on these measures, they scrutinize effectiveness and quality of our chemicals.
